Circular No. 2/2024

Dear Members,

January Monthly Members' Meeting, Monday, 22 January 2024

17:30 hours, Four Seasons Hotel, Limassol – “35 Years CSC Operation Presentation”

Happy and Prosperous New Year!

We take pleasure to invite you to our January Monthly Members' Meeting to be held on **Monday, 22 January 2024, 17:30 hours, at the Four Seasons Hotel, Limassol.**

As 2024, marks the successful completion of 35 years since the Chamber's establishment, it has been decided that at the January Members' Meeting, **a short Presentation** will be given by the undersigned, on the various business, social and charity events which the Chamber will organise during the year, to commemorate this occasion.

In addition, following some months of work by both the Chamber Secretariat and the Communication and Image Advisory Committee, **a “refreshed” CSC Logo** has been approved by the Board, and as such, will be formally presented to the Members at the Members' Meeting for the first time, before it is publicly presented to the media and Chamber associates on the actual “birthday”/setting up date of the Chamber on 26 January.

Finally, since the Meeting will be “Members Only” without any invited Guests, attending **Members** will be invited to **raise any suggestions/criticism/recommendations**, as to how the Chamber in general, and the Secretariat in particular, can improve further their services in the year ahead. As such, we **sincerely hope that as many Members as possible, will attend the Members Meeting.**

As per usual practice, we will commence the Meeting with the run-down of the Chamber's current affairs, followed by the above-mentioned Presentation and the Meeting will conclude, with our traditional “social hour” at the Hotel bar. In this respect, please register online by **Monday, 22 January 2024 (lunchtime)**, your company representatives who will be attending the Event [here](#)

Looking forward to welcoming you all at the Members Meeting,

Yours faithfully,

Thomas A. Kazakos
Director General
